

MEDICINE SAFETY:

Play It Safe!

Wednesday, February 10th
10:00 - 11:00 A.M.

Confused about your medications? You are not alone.
There are many questions you may have such as:

- When exactly should I take my medicine?
- Is it safe to take my vitamins when I am taking a prescription medicine?
- Now that I feel better, can I stop taking my medicine?

Many people are harmed each year, some seriously because of taking the wrong medicine or not taking the right medicine correctly.

Attend this session and learn the top ten things you should know about your medications and safe ways to take them.

Guest Speaker: Mary Bridgeman, Pharm.D., R.Ph. Capital Health
