

Hi Everyone,

The Board of Trustees has made the following changes to the Rules and Regulations, so please add them to your Rules and Regulations Book effective Oct. 27, 2011.

Music for the pool has been extended to 6 PM.

The pool may be open for after-hour swimming (8 to 9:30 PM) for residence only if the following steps are taken:

The buddy system must be used (two residents must be present at all times).

The hours are subject to the discretion and judgment of the head of the Pool Committee who may curtail such hours for reasons of shortage of volunteers to close the facility, for weather reasons or for reasons they deem appropriate. The party responsible must be contacted a minimum of 24 hours in advance. ( Lee Platt a member of the Pool Committee will be the contact person this year).

10:00 AM and 11:00 AM shall be designated as "physical fitness hour." Training aids such as fins, kickboards, pull buoys and noodles may be used during this hour at the discretion of the lifeguard. Use of fins and kickboards are NOT permitted when the Aerobics class is in session or when there are 10 or more people in the pool.
