We all communicate, but how we do it makes all the difference. Come and be part of this eye opening one hour seminar and get a new perspective about communication. This overview will cover the following:

- 1)The definition of communication**
- 2)The benefits of communication**
- 3)The major modes of communication**
- 4)Strategies/tips to improve how we communicate.**

A close examination of our words, actions and behaviors transmit messages and affect outcomes of which we are unaware. “This Need Not Be! “

**Following the Presentation----Chocolate Refreshments celebrating St. Valentine's Day will be served!
(Pretend That It's The 14th)**
