Kindly return this form to the Association, in care of FirstService Residential
Attention Alexis Molzon by mail or email it to me at alexis.molzon@fsresidential.com

Floyd S. Weiner

After graduating college I spent two years in the Army transcribing personnel files to computer. The following 44 years were spent in the Banking Industry filling positions from Branch Management to and including Senior Loan officer with the responsibility of overseeing all lending functions of the bank and overall management of all bank personnel. While performing my duties within the bank I also spent a good deal of time interacting with various state and government agencies. I retired from Banking in 2011 and have spent time serving on various committees within our community.

I have always felt that it is important to give back to my community and volunteer my time to help maintain our property. Since 2006 I have served on various committees like clubhouse, finance and pool. This has allowed me to learn how Enchantment functions and given me a chance to give my input in these areas. After serving as chair of the clubhouse committee for the last 4 years I'm ready to get more involved by volunteering to serve on the board and help keep our community the great place that it is.
