

# re.Chant: Salute to October

## A POTPOURRI OF EVENTS

If you thought once the pool closed you'd be bored, October may have proven you wrong. We started with the Mixer and closed with Halloween. We tested whether we could do a Karaoke night; we witnessed the newly formed Women's Bocce Team defeat those seasoned Men, "Julia" shared her past, and Capital Health informed us. Last, but certainly not least, we brought back our Halloween Festivities. Huge shout out to our Social Committee and to the Enchanted Ladies. Thanks to our clubhouse decorators and to those of you who have made our cul de sacs festive for the season, if you have not been out walking, check it out.
