

# LET'S CELEBRATE EARTH DAY AT ENCHANTMENT ON MAY DAY!

**SATURDAY, MAY 1<sup>ST</sup> 9:00 AM – 12 PM**

The Landscape Committee invites you to join them for coffee & a light breakfast in the Clubhouse to celebrate spring and Earth Day with our neighbors.

Let's all look around our homes & open spaces and collect any trash that has accumulated over the winter so that we may enjoy our beautiful Community as it comes into bloom.

Bring your trash bags, gloves and a big smile!

Hope to see many of you on Saturday morning May 1<sup>st</sup>!

The Landscape Committee
