

EVENING KNITTERS AND CRAFTERS
MARCH 2007-6:30pm-8:30pm

Our meeting dates for the month of March are:

Thursdays, March 1st and March 15th

Come join us in front of the fire for some nice conversation while you complete your own project or start a new one. Learn to knit, crochet, etc. We have patterns for scarves, hats, lap blankets, baby blankets, etc. Bring your supplies and we will assist you. Limited supplies available for purchase.

Any questions, call Sara at 585-2256

This month, Dianne, will teach to those interested, how to make candy molds. We will be working in the kitchen. If you would like to learn this project you will need to bring the following items.

**Candy mold
Bag of Candy melts
Small microwavable container
Spoon**

You can purchase the mold and melts at any craft store, such as Michaels, AC Moore, and Rag Shop or most department stores, such as Walmart. If you want your molds to be multi-colored, purchase different color candy melts.

Any questions, call Dianne at 585-4544.

We look forward to seeing you by the fire!
