

**ENCHANTMENT AT HAMILTON
HOMEOWNERS' ASSOCIATION INC.**

On July 24th 2013 the Board of Trustees met and made the following change to our Rules and Regulations.

Under pool hours the extended hours will be in effect seven days a week until 9:30p.m. during the pool season under the following conditions.

- Only residents may use the pool during these extended hours.
- Lifeguards will not be present so residents must use the “buddy system”, that is, another resident must be present during these extended hours.
- These extended hours, and also regular pool hours, are subject to the discretions and judgment of the head of the Pool Committee who may decide to curtail such hours for reasons of shortage of volunteers to close the pool facility, for weather reasons or for other reasons they deem appropriate.

Please add this change to your copy of the Rules and Regulations dated October 27, 2011.
